

JOHN INNES HORTICULTURAL INSTITUTION,  
Bayfordbury, Hertford, Herts.

12th April 1954

Dear Dr. Lederberg,

I am pleased to tell you I have been elected to a Commonwealth Fund Fellowship. As you probably know I have been corresponding with Professor Keitt. I hope to join him in early September of this year.

I am looking forward to my stay in Madison when I shall be very pleased to meet you.

Yours sincerely,

*Peter Day*
